An aerial photograph of a town in winter. The foreground is dominated by large, snow-covered agricultural fields with visible plow lines. In the middle ground, a town is spread out, featuring a mix of residential houses, commercial buildings, and industrial structures. A prominent yellow building is visible on the right side of the town. The background shows a vast, flat landscape covered in snow, extending to a distant horizon under a clear sky. The overall scene is bright and crisp, typical of a winter day.
